

RED VELVET PORTER

A unique and unprecedented “red” twist on a porter, Red Velvet Porter presents notes of cocoa, rich chocolate, toffee, and deep caramel sweetness, vanilla, and a hint of frosting alongside an alluring, and brilliant garnet presentation. Red Velvet Porter showcases the range and special qualities of malts categorized as “Caramel & Crystal”, all while maintaining a high level of drinkability. Restrained additions of cocoa powder, and natural flavorings add the perfect accent, creating the fantasy of lush red velvet cake.
